Hi Rose,

Do the support letters (to go along with the Russian Certificate) need to be posted?

Steve

Hi Rose,

I'm not sure if Omar forwarded this to you. This is a support letter for our Russian Certificate change.

Thanks,

Steve

Hi Omar, Poli 475 should be offered about once every three or four semesters. Hope that helps,
Carolyn

Dear Omar, I support the change however please be aware that that particular course is not one that is offered every year and I would have to do some research to determine how often the course is indeed offered even though we have it in the catalog.

Dear Carolyn,

How are you? I hope your week is ending well.

MLLI is planning to submit to the UGC a revised version of our Russian Certificate. That revised version (attached) includes reference to a cognate course in Political Science (POLI 475), and so we will need a brief approval note from you as chair of POLI. It could be in the form of an email to me that I can attach to the submission.

Thank you, and please let me know if you have any questions.

Enjoy the weekend,

Omar
