Hi Sarah,

I hope you're doing well. I'm writing to let you know that Asian Studies is putting program change proposals through the UGC to adjust the list of potential electives for the Asian Studies major and minor. As part of that process, we need letters of support from chairs so that we can include your elective on that list.

We would like to include ANTH 214/ASIA 214 - Cultural Study: South Asia on the list of electives for the major and minor in Asian Studies. If you could please send me your support in reply to this email, I'd appreciate it!

Cheers,
Elle

Hi Ana,

I hope you're doing well. I'm writing to let you know that Asian Studies is putting program change proposals through the UGC to adjust the list of potential electives for the Asian Studies major, minor, and certificate. As part of that process, we need letters of support from chairs so that we can include your electives on that list.

We would like to include several classes,

- MLL 220 - Film and Society in China (major and minor only)
- MLL 311 - Introduction to Korean Culture (major, minor, and certificate)
- MLL 315 - Images of Korea through Contemporary Korean Films (major, minor, and certificate)
- MLL 316 - Japanese Language in Society (major, minor, and certificate)
- MLL 317 - Images of Society in Contemporary Japanese Films (major, minor, and certificate)
- MLL 327 - Modern Japanese Culture (major, minor, and certificate)
- MLL 328 - Traditional Chinese Fiction and Drama (major, minor, and certificate)
- MLL 300 - Selected Topics in Modern Languages and Linguistics (When topic is Asian) (major, minor, and certificate)
- MLL 333 - Japanese Food Culture (major, minor, and certificate)
- MLL 334 - Modern Chinese Poetry and Lyric Culture (major, minor, and certificate)
- MLL 335 - Modern China: Culture, Society, and Environment (major, minor, and certificate)

on the list of electives for the major, minor, and certificate in Asian Studies. If you could please send me your support in reply to this email, I'd appreciate it!

Cheers,
Elle
