Dear Linda,

The Alex. Brown Center for Entrepreneurship is delighted to lend its support to the Arts and Entrepreneurship Minor being proposed. The Entrepreneurship Faculty Fellows and I think it will be an excellent addition for our students.

The Center agrees to have the identified ENTR courses included in the new Arts and Entrepreneurship Minor and we commit to offering them on a regular basis. The proposed core courses, ENTR 200 and ENTR 201, are offered every semester. The ENTR electives are offered once a year. We look forward to having students from the Arts participating!

Best regards,

Vivian

Hi Linda,

Yes, it's a wonderful initiative, I fully support it. There are a lot of students in the Arts who are interested in entrepreneurship, and I think such a Minor would be very beneficial to them. Actually for those who plan on supporting themselves after graduation, it should be a must.
