CURRENT CATALOG DESCRIPTION:

An exploration of advanced topics in music technology. The subject matter varies from semester to semester but may include surround recording techniques, sound design, audio electronics, sound for video, and multimedia. ~~Music majors only. This course is repeatable for credit.~~

PROPOSED CATALOG DESCRIPTION (Approximately 75 words in length. Please use full sentences): leave blank if no changes are being proposed to the catalog description. NOTE: information about prerequisites should NOT appear in the catalog description.)

A continuation of MUSC 318, this course explores advanced topics in music technology, with the subject matter varies from semester to semester. Topics may include surround recording techniques, sound design, audio electronics, sound for video, and multimedia.

RATIONALE FOR CHANGE:

This course is not repeatable for credit. Format update to the prerequisite and updating description format as recommended by the Registrar's Office.
