

UMBC UGC Program Changes & Other Request: ENTR Minor

Date Submitted: August 6, 2020

Proposed Effective Date: Fall 2020

	Name	Email	Phone	Dept
Dept Chair or UPD	George Karabatis, Director	georgek@umbc.edu	x-53940	IS
Other Contact	Vivian Armor	armor@umbc.edu	x-55740	ABCE

Specifics:

The Committee with oversight over the Entrepreneurship and Innovation (ENTR) Minor at UMBC proposes the addition of the following courses to count as electives towards the course requirements of the ENTR Minor:

BIOL 421

BIOL 422L

FINC 150

Rationale:

All the above courses have already been approved by UGC as entrepreneurship infused elective courses. As a result, the ENTR Minor needs to undergo a Program Change to include these courses as electives of the ENTR Minor program, so that students who take these courses can count them towards the ENTR Minor course requirements.

Letters of Support: This document contains the permissions from the chairs of Biology (Philip Farabaugh for the BIOL courses), and Financial Economics (David Mitch for the FINC course).
