

Career Center Support for GLBL 086: Global Experience Practicum

Christine Routzahn
to me

Dear Members of the UMBC Undergraduate Council,

On behalf of the Career Center, I would like to share full support for GLBL 086: Global Experience Practicum. Our team looks forward to working with the Global Studies Program to support students with their internship search process. We will also continue to facilitate sections of the 98 and 99 Internship Experience Practicum for those who would like to co-enroll (syllabus attached).

Engagement in an applied learning opportunity with course instruction will work to enhance students' global competence skills and instill a spirit of civic engagement in Global Studies majors. We look forward to this partnership.

Christine
