An advanced course that focuses on the production of individual and collaborative projects, emphasizing class discussion and critique, and the application of entrepreneurial skills for the professional artist. This course constitutes the capstone experience and should be taken in the student's final semester. Topics will be published in the Schedule of Classes. This course is repeatable for credit.

RATIONALE FOR CHANGE:

ART 489 has been approved to be added to the ENTR minor electives. Entrepreneurial content is already infused throughout the course as part of a student's capstone project. The revised course description better represents the role of entrepreneurial activities in the course.
