Specifics (see instructions):

We would like to add a recently created course that was submitted recently for course approval by UGC to meet the upper division certificate requirements for the **Philosophy, Law, and Politics certificate**:

Add: PHIL 456: Justice and Climate Change

The current list of courses approved for meeting this certificate's requirements are:

Complete 9 credits from the following:

[PHIL 354 - Ethics, Animals, and the Environment \(3\)](#)

[PHIL 355 - Political Philosophy \(3\)](#)

[PHIL 356 - Philosophy of Law \(3\)](#)

[PHIL 357 - Philosophy and Human Rights \(3\)](#)

[PHIL 358 - Bioethics \(3\)](#)

[PHIL 471 - Freedom, Determinism, and Responsibility \(3\)](#)

[PHIL 486 - Kant's Moral and Political Philosophy \(3\)](#)

We are proposing, with the above addition, the following list:

Complete 9 credits from the following:

[PHIL 354 - Ethics, Animals, and the Environment \(3\)](#)

[PHIL 355 - Political Philosophy \(3\)](#)

[PHIL 356 - Philosophy of Law \(3\)](#)

[PHIL 357 - Philosophy and Human Rights \(3\)](#)

[PHIL 358 - Bioethics \(3\)](#)

PHIL 456 - Justice and Climate Change (3)

[PHIL 471 - Freedom, Determinism, and Responsibility \(3\)](#)

[PHIL 486 - Kant's Moral and Political Philosophy \(3\)](#)

Rationale (see instructions):

The content of PHIL 456: Justice and Climate Change is appropriate to the Philosophy, Law, and Politics upper division certificate and we want students to be able to take any of them in order to meet the requirements for this certificate.
