

APR Summary for UGC

Program: Economics

Majors, Minors, and Certificates Offered

BA Economics, BS Financial Economics

Minors: Economics, Finance, Mathematical and Quantitative Economics, Global Economics, Economic Policy

Certificates: Accounting, Management Accounting, Auditing for Information Systems

Do any of the items noted in the APR warrant follow-up by the UGC?

No specific UGC follow-up is needed. Curricular recommendations include adding a writing intensive course, shifting curriculum to better meet student needs, and assessment and “closing the loop” attention.

Do any of the items noted in the APR warrant follow-up by the Faculty Senate?

No specific Faculty Senate follow-up needed. The only other significant recommendations in the APR documents are cross-campus collaboration, increased hiring, and support for R1 scholarly productivity.

-----*Please include information in this section if it is provided in the APR*-----
